

To Whom It May Concern:

I found Rod of "PAINTPRO Quality Painting" to be extremely polite and professional.

The quality of the paint job met my very high standards, as did Rod's quality of character.

My house looks wonderful! What a difference a coat of paint made My walls were boring , but now they are bright and cheery!

Thank you Rod I will recommend you to everyone I know looking for a good painter.

Sincerely,

A handwritten signature in black ink that reads "Thomas". The signature is written in a cursive style with a large initial 'T'.
